PROFESSIONAL SUMMARY

Experienced UI/UX Designer, Front-End Developer, and Professional Graphic Designer with years of experience in visual design and digital product development. Skilled in crafting user-centered interfaces and responsive web solutions using HTML, CSS, JavaScript, Flutter, and React. Proficient in Figma, Adobe Creative Suite (Photoshop, Illustrator, Premiere Pro), and modern design tools to deliver high-impact visuals and brand assets. Proven ability to lead design teams, manage large-scale event branding, and collaborate across organizations.

WORK EXPERIENCE

Junior Graphic Designer | Widustalk Academy - Ortigas, Pasig City Feb 2023 – Aug 2023

- Developed graphics, materials, and visual content for diverse companies.
- Created logos, illustrations, menus, and posters for the Korean food stall, Bobjo.
- Crafted engaging publications, logos, and user-interface website designs for Lingoloco Academy.
- Illustrated the logo, elements, menus, and traditional materials for Mango Rush.
- Collaborated with teams to craft designs for use in digital and traditional printing methods.

Freelance Graphic Designer Apr 2022 - Present

- Designed logos, branding, packaging, posters, and other graphics tailored to client needs.
- Commissioned compelling visual identities for various clients internationally and locally.
